Sir

With reference to your letter No. L. 5380/ San. dated the 21st. March 1922, I have the honor to state that no applications for the extension of the Mysore Births and Deaths Registration Regulation to local areas has as yet been received in this office for submission to Government. So far as I am aware, the Regulation has not been extended to any local area.

2. According to the Regulation it is the Deputy Commissioner that proclaims that registration is compulsory in particular areas, appoints registrars and arranges for the supply of the necessary registers.. No prosecution can be instituted except under the order of an Amildar or of an officer superior to him and a prosecution once instituted can only be stayed by the Deputy Commissioner or any officer generally or specially empowered by him in this behalf.

Further, according to the rules for the registration of vital statistics now in force, the actual registration and compilation is done in the Revenue Department. It will also be seen from para 5 of Government order No. G. 7170-230 San. 26-20-11 dated the 1st. October 1920, that District Boards are only expected to interest
